1 Q Does it contain all of the opinions that you
2 expect to provide at trial in this case?

3 A You know, I don't know that. It contains all
4 the opinions I have up to the moment, but if the

19 whether that data is allowed in this case.

20 A More data is almost always useful.

24 and if you want to refer to -- I know you have a
25 summary section in your report. You can refer to
